The Pastor's Pen

February 2005
Volume 15, Issue 2

Hello My Brothers & Sisters in the Lord!

Included in each monthly newsletter as in each weekly bulletin here in Amarillo, we ask you to pray for a list of suffering souls on our prayer list: brethren, friends, neighbors and family that need God's intervention and healing. There befalls to each and every one of us as caring Christians

filled with love to go to God regularly on behalf of these folks. James tells us that "*the prayer of faith shall save the sick*" (James 5:15).

Just how much faith do we hold? What is the depth of our belief? Is it rooted in Godliness & holiness? Or have we fallen into low expectations & disbelief?

Let us think upon some of the many scriptures urging us to pray and pray with faith and belief.

Ps 91:15-16, "He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him. With long life will I satisfy him, and shew him my salvation."

John 14:13-14, "*And whatsoever ye shall ask in my name, that will I do, that the Father*

the Son. If ye shall ask any thing in my name, I will do it.”

John 5:13-14, “These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God. And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us.”

Prayer requires faith in the existence of God.... the listening by God.... the power. of God....the goodness of God...the love of God, and last but not least...the answer of God.

Faith enlightens us to the knowledge and trust that God knows what we do not...God sees what we cannot... We must go to God in faith and trust. We must pray “Please God” and not just “Please, God”. We must remove the comma from our prayers, look for a miracle and trust in God’s will! Praying always in the name of Jesus Christ our Lord. — *Jeff Booth*
